Special Price: \$2,225.00

	Height	Width	Depth
Overall	33.00	71.00	16.00

Best describe as a show stopper, the Aristocrat Console Table features an art-deco inspired aesthetic with a rustic twist. Made from reclaimed fir wood, it will withstand major wear and tear. Four deep drawers that seem to float above the brass finished frame makes it practical to keep essentials handy and airy at your entry way.
