Cast Root Console Table, Iron Frame, Resin,  
Silver Leaf

Price: \$5,369.00

	Height	Width	Depth
Overall	34.00	80.00	12.00

Next we framed our wood consoles. Now we've gone ahead and cast a new beautiful piece of teak root and encased it in iron. Both sides are finished and unique so you can display from either side like the root it was cast from. Offered in three finishes - gold leaf, silver leaf and faux bois.
