Surround yourself in modern luxury when you add this Casey Navy Velvet King Bed to your bedroom oasis. Sumptuous by design, this bed features all-over button tufting for a look that is nothing short of stunning. This dimensional bed features a heavily padded headboard and side rails, each covered in magnificent-to-the-touch navy velvet for a look that's upscale and simply divine. Metal legs on this bed allow easy clearance for vacuuming, and the bed uses just a mattress, so there's no need for a box spring or foundation, which only adds to its sleek look.
