Take your bedroom space to a whole new modern level with this Lionel navy velvet queen bed. Posh velvet upholstery in a lovely navy color is intersected by polished gold metal in a geometric design that is nothing short of spectacular. This stunning bed has a gold metal base to finish off the presentation on a glamorous and upscale note. Full slats are included with the bed to help provide support for your mattress, and the platform footprint ensures you need no box springs or foundation to recreate this look at home.
