Tower Storage Bed by J&M J&M is proud to introduce our new line of storage beds. Brought to you from Italy, these beds are crafted using the finest of materials. These beds also have a luxurious hydraulic lift component that easily lifts to reveal convenient and valuable storage space. The resistance slats are silenced by sound insulating sheaths for a quiet storage mechanism. The Tower platform bed was designed with comfort in mind. This bed integrates two ratchet headrests for flexibility of comfort. Crafted in water repellent taupe gray fabric, this bed has plastic feet to prevent any surface scratches on hardwood floors. Also available in a white eco leather, and grey eco leather. Available in both Queen & King *Price Mentioned is for Queen Bed
