The London Loft collection elevates mid-century modern to the next level with sustainable organic materials and modern design elements. Casual enough for a beachfront oasis, yet modern enough for a European loft style home, the London Loft collection has furniture pieces for every room in your home. With a classic charm and air of sophistication, this hand-crafted live edge bench is cut from a thick acacia wood slab featuring curved edges, and the water-based catalyzed walnut finish on the acacia wood seat offers durability while showcasing the natural grain of the acacia wood. The bench's seat sits atop a black, hand-forged iron base to create a fusion of natural and industrial elements. This bench requires some light assembly and with materials of the finest quality, it will be an effortless addition to any home.
