The Boardwalk collection offers coastal tones with solid hard wood construction. The mid-century design gives each piece in this collection the modern coastal style you're looking for! Modern silhouettes combined with rustic finishes will instantly add a timeless elegance to any decor. This beautiful bed frame is constructed entirely from solid acacia wood, with multi-colored panels in neutral finishes of natural, whitewash and weathered gray, along the headboard and footboard. Made for an eastern king mattress, this bed frame will both enhance the look of your bedroom while also providing the perfect place to rest your head at night. The footboard rests on a pair of slim yet sturdy legs in antique black finish. This king bed frame requires assembly and is made with materials of the finest quality, making it an excellent addition to any modern styled bedroom. Combine the pieces in this collection for a more imposing presence or select various pieces "a la carte", for an eclectic style.
