The Seat Belt Metallic Silver Dining Chair is one of many offerings in this contemporary seating collection by award-winning Thai designer Nuttapong Charoenkitvarakorn. The design was inspired by the intertwining spools of fabric seen when visiting a seat belt factory. Nuttapong's striking chairs are easily recognizable by the braided backside and stiletto profile. The straps are woven on a frame made of wood that is reinforced with metal. There are monochromatic and two-toned versions, each of which are available in many colors. All of these reflect the ethos that the Phillips Collection personifies: modern organic.
