This streamlined desk with a single open shelf offers a rustic modern appeal to your home/work office. The Modern Industrial-style steel frame sports a warm Metallic Gunmetal painted finish and is topped with an engineered wood veneer. In addition to pulling light duty as a desk, this piece would make a great console or accent table. Top it with a pair of lamps, a vase of flowers, or your favorite object d'art. Some assembly required. Available in Gliese Brown/Metallic Gunmetal legs and Brown/Metallic Gunmetal legs.
