A stylish small-space solution, the Cosmos counter height pub table brings the simple elegance of Mid-Century design into the modern home. The city-scale of this casual dining table works well where space is a premium. The soft square shape measures 36" x 36", offering wide radius corners, easy rounded edges, and modern tapered legs. Sustainable and earth friendly, the Cosmos Amber color is not a surface stain, the color is created using an innovative caramelization process using heat, steam, and pressure to transform the solid bamboo material into Amber's deep color. Discover the expert craftsmanship packed into each piece of Greenington bamboo furniture, made using a renewable resource harvested from fully sustainable and rapidly growing forests.
