Paradox Console Table in Matte Black Industrial Steel with Glass Top

Price: \$4,131.00

	Height	Width	Depth
Overall	30.00	60.00	16.00

Recreating the lightness and fragility of bubbles from the rigidity of industrial steel, the Paradox console is built from a series of black finished metal tubes of varying diameters. It is topped with a simple glass top. A graphic sculpture that conveys movement, it is a bold choice for an eclectic home.
