Instill comfortable sleep and luxurious style in your master bedroom or guest bedroom with the Carwyn Tufted Performance Velvet Queen Wingback Platform Bed. With classic button tufting on the queen headboard, this queen size bed features rich texture and a modern wingback design that brings glam deco style and contemporary elegance to a bedroom. This upholstered bed is covered in stain-resistant performance velvet and its wingback headboard is padded in dense foam creating a comfortable spot to rest against when sitting up in bed. Eliminating the need for a box spring, this platform bed frame is complete with a wood slat support system, reinforced center beam, and support legs for lasting stability. This mattress foundation offers healthy air circulation to a variety of mattress types including memory foam, innerspring, hybrid and latex. Assembly required. Weight Capacity: 1100 lbs. Set Includes: One - Carwyn Tufted Wingback Queen Platform Bed
