Update your master bedroom or guest suite with comfortable sleep and elegant style with the Yaseen Performance Velvet Queen Platform Bed. A modern twist on a classic wingback tufted bed, the queen headboard of this platform bed features beautiful channel tufting with an arching scalloped design. The queen headboard and siderails of this wingback bed are upholstered in soft, stain-resistant performance velvet and feature dense foam padding that offers comfort and support while relaxing in bed. Resting atop gold metal legs, this vintage modern bed comes with a sturdy wood slat support system with a reinforced center beam that eliminates the need for a box spring. Abounding in glam deco style, Yaseen is a luxurious mattress foundation that promotes healthy air circulation for memory foam, innerspring, latex, and hybrid mattresses.
