Cyrus Outdoor Dining Table In 79" In Sand

Price: \$1,299.00

| | Height | Width | Depth |
|---------|--------|-------|-------|
| Overall | 30.00 | 78.75 | 39.25 |

A strikingly simple poly-resin top derived from river sand is polished to a smooth sheen in a neutral oatmeal hue. An angled, off-white iron base adds architectural appeal to this spacious outdoor-friendly dining table. Slight color variance is to be expected, and speaks to lava stone's organic nature. Cover or store indoors during inclement weather and when not in use.
