Cyrus Outdoor Dining Table In 32" In Sand

Price: \$549.00

	Height	Width	Depth
Overall	30.00	31.50	31.50

A strikingly simple poly-resin top derived from river sand is polished to a smooth sheen in a neutral oatmeal hue. An angled, off-white iron base adds architectural appeal to this outdoor-friendly dining table. Slight color variance is to be expected, and speaks to lava stone's organic nature. Perfectly scaled for smaller spaces. Cover or store indoors during inclement weather and when not in use.
