"Add a lush layer underfoot next to the bed, sofa or favorite reading chair with this 100% unshorn sheepskin rug. These 100% hair-on-hide rugs are made from hides that have been upcycled from abattoirs across Argentine Patagonia. Each hide is rigorously hand selected for its quality, size and rich color, and finished with a chromium-free tanning process that's gentler on the environment. Light shedding plus a variance in shape, size and color is to be expected, and speaks to lambskin's natural character."
