Chart new territory while seated from the comfort of the Brittini Chair. Brittini features a form-fitted breathable mesh back and padded waterfall mesh seat to keep your back and thighs posture perfect. Easily flip Brittini's padded armrests up and away when not needed with the chair's versatile 90 degree rotating feature. Securely lock your back in place with a user-friendly seat tilt plus tension control knob—perfect for adjusting the chair to correctly fit your body weight. Adjust the seat height with a one-touch pneumatic lift with hooded dual-wheel casters to ensure effortless gliding over carpeted offices. Brittini is a chair built for the progressive worker. Make yourself stand out as you venture forth from a place of naturally efficacious activities. Set Includes: One - Brittini Office Chair with Mesh Back and Mesh Fabric Seat
