Draw attention to a contemporary writing table that doubles as a study in functionality. Prudence is a dynamic piece which features four open cubby corners and a pull out drawer with a fifth storage area opposite the drawer on the other side. Prudence is layered with a natural wood grain patterned melamine finish and is supported by a powder coated black steel legs. Prudence is versatile down to the very bottom of the piece with adjustable foot glides that help keep the table level. Whether you plan to sit alone or with a friend on the other side of you, Prudence adds a contemporary style perfect for any contemporary home or office. Set Includes: One - Prudence Desk
