The Maia premium bedroom is a pinnacle of craftsmanship. This elegant bedroom features an extraordinary design that harmonically mixes a wenge wood veneer against a contrast of light grey lacquer. This combination looks gorgeous when illuminated by the lights on the headboard that also feature a dimmer function. The combination of wenge with light grey continues in the night stands, chest, and dresser. As with all of J&M's premium collection bedrooms the case goods come equipped with soft closing tracks by Blum, a world-renowned German manufacturer that sets the standards for the finest quality furniture hardware
