Frosted Glass Bowl on Stand, MD

Organic / Natural Character

Price: \$719.00

	Height	Width	Depth
Overall	31.00	30.00	30.00

With tremendous personality, the Medium Frosted Glass Bowl can swing from decorative to utilitarian in a flash depending upon how it is used. Leaving it empty will allow the pebbly beauty of the frosted glass to shine. Fill it with ice and bottles of champagne to turn it in into a happy-hour helpmate. We also offer this design in medium, and we have fluted shapes with smooth surfaces in small, medium, and large.
