The Harper is a simple stool made from fiber-reinforced concrete, emphasizing on functionality and form. The design is a minimalist take on an hourglass shape. A versatile piece that can serve as accent, pedestal, or seating, the Harper is perfect for both indoors and outdoors. This product is handmade from natural materials, primarily Portland cement, by individual artisans in Vietnam. Each item displays a unique patina consisting of natural markings and variation in color. Small hairline cracks and imperfections are normal and to be expected.
