Showcasing the beautiful color and grain of solid bamboo, the smartly scaled Sienna bed features contemporary styling, clean lines and beautifully beveled edges. The Sienna platform bed is designed for use with a mattress only, which is supported with a solid bamboo European slat system, eliminates the need for a box spring, and provides constant ventilation for your mattress. Available in both queen and king sizes, in your choice of caramelized or rich Mocha finish. The Sienna platform bed makes it easy for you to promote sustainability in a lovely, classic and functional way in your home.
