A piece that exudes tropical elegance, Luna Bella's Coral lamp has the power to pull together your vision of the perfect space. Ideal for a side table or nightstand, Coral's white shade boasts a bold red print that seems to be alive with the vibrant spirit of the sea. This table lamp's daring shade is balanced by delicate amber glass, a chic gold stem with a crystal accent, and matching gold legs that provide a flourish of finesse. Our pieces are finely hand crafted, painted, and assembled in the USA. Due to the artisanal nature of our process, each piece may vary in hue and tone. We feel this adds to the uniqueness and beauty Luna Bella brings to your home.
