Stylish yet comfortable, these retro inspired modern side chairs are constructed from durable plastic with natural finished solid beechwood legs. The leatherette upholstered padded seat adds to the design as well as providing comfort, encouraging you and your guests to linger at the table. Available in white with red, grey or white seat with natural beechwood legs. Also available in grey with walnut legs, black with a grey seat and walnut legs as well as white with walnut legs. Sold in increments of 2 chairs per carton.
