Expertly crafted in earth friendly solid bamboo, the modern style of Greenington's Skol counter high stool takes it's cue from classic Danish mid-century design. Strong, durable and sturdy, the Skol stools offer extra comfort with a soft leather upholstered seat. The Skol ships fully assembled with two stools per box. Shown in caramelized finish. No stain is used, the color is achieved with heat and pressure. Variations in grain and color enrich the natural beauty of bamboo furniture, with no two pieces exactly alike. Greenington's Skol counter and bar stools make it easy for you to promote sustainability in a lovely, classic and functional way in your home.
