Rev up the energy in your conference room with the Tresch 96" long conference table. The rectangle design and industrial modern style create a dynamic centerpiece. A dining or conference table that elevates the look of your dining room or conference room, Tresch features a sturdy iron-plated metal wishbone leg base with an eye-catching crank that adjusts the table height from 30" to 42". Complete with a solid old pine wood top and black lacquer finish, Tresch ushers the feel of the industrial era straight to your home or office. Seating up to eight, Tresch works well coupled with office chairs, drafting stools, dining chairs, and more. Able to be positioned at dining, counter and bar height, welcome an 8ft long rustic vintage crank conference table that will draw admiration from guests. Table weight capacity: 441 lbs. Set Includes: One - Tresch 96" Crank Height Adjustable Rectangle Dining and Conference Table
