Carefully crafted simplicity and subtle sophistication blend to create the crafted simplicity of Petway. A mid-century modern loveseat upholstered in soft polyester fabric, Petway features a streamlined profile and flared armrests for a striking silhouette. Complete with elegant button tufting and subtle piped trim, Petway comes with dense foam padding positioned on a sinuous spring support system for exceptional comfort. Outfitted with tapered and splayed non-marking, cherry-stained wood legs, the Petway Upholstered Fabric Loveseat delivers the perfect seating area for the living room, home office, or entryway. Maximum Weight Capacity: 600 lbs. Set Includes: One - Petway Loveseat
