Subtle flair renews your living room decor with Balin. Channel tufting adds visual depth while Balin's gently curving ends add uplifting stability with vintage artisan accents. Balin is the transformative accent bench that will update your foyer, entryway, bedroom, living room, home office, or lounge area with sophistication and chic style. Soft, stain-resistant performance velvet upholstery covers the dense foam padding for added seating luxury. Balin is comprised of a solidly constructed rubberwood frame resting on four tapered birch legs covered in matching velvet upholstery with gold metal foot sleeves for that perfect artisan touch. Accent bench weight capacity: 600 lbs. Set Includes: One - Balin Channel Tufted Accent Bench
