Deliberately implement down-to-earth aesthetics with the Otis industrial modern round dining table. Fashioned on a cast iron pedestal base, the round pine top is braced in a rim of iron to connote progress amidst rustic conditions. In contrast to the standard four-legged tables, the single stand variety has been gaining popularity over the past 60 years. Now with the resurgence of industrial modernism, the warehouse of yesteryear comes remodeled into its present stance as an art form. Set Includes: One - Otis Dining Table
