Deliberately implement down-to-earth aesthetics with the Otis industrial modern oval dining table. Fashioned on a cast iron pedestal base, the oval pine top is braced in a rim of iron to connote progress amidst rustic conditions. In contrast to the standard four-legged tables, the single stand variety has been gaining popularity over the past 60 years. Now with the resurgence of industrial modernism, the warehouse of yesteryear comes remodeled into its present stance as an artform. Set Includes: One - Otis 78" Oval Dining Table
